

# ***Spring 2022: ANT/SSGK 295***

## **PRIMATE CONSERVATION**

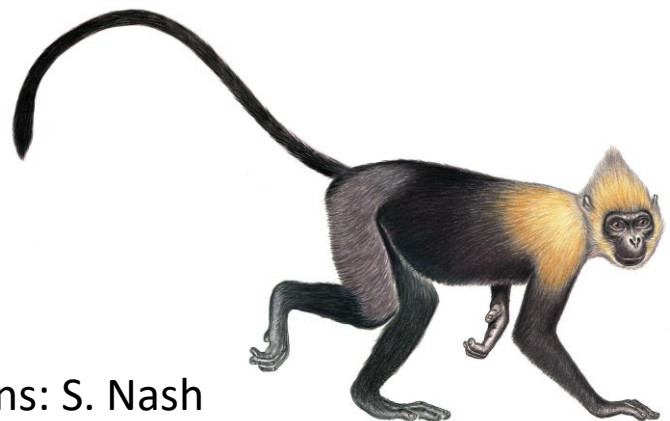

**\*Only students who register under SSGK 295 will receive GEP Social Science and Global Knowledge credit.**

**Instructor: Dr. Tara Clarke,  
IUCN SSC Primate Specialist  
Group Member**

**After completing this course students will be able to:**

- Confidently discuss the status of primate populations;
- Identify major threats to their survival, and explain common approaches to conservation;
- Analyze the efficacy of particular conservation strategies under real-world circumstances;
- Build a successful argument for why conservation matters in the modern globalized economy.
